Over the course of the year here at Arthur Hill we do many different activities. Our various activities include Homecoming, blood drives, senior night, fundraising for various causes to holiday bazaars, studying, spending time with friends or participating in spirit week. Here at Arthur Hill we have a wide variety of things to do. Here re some pictures of just some of the things that we do.

-Elessa Trevino- Alcock

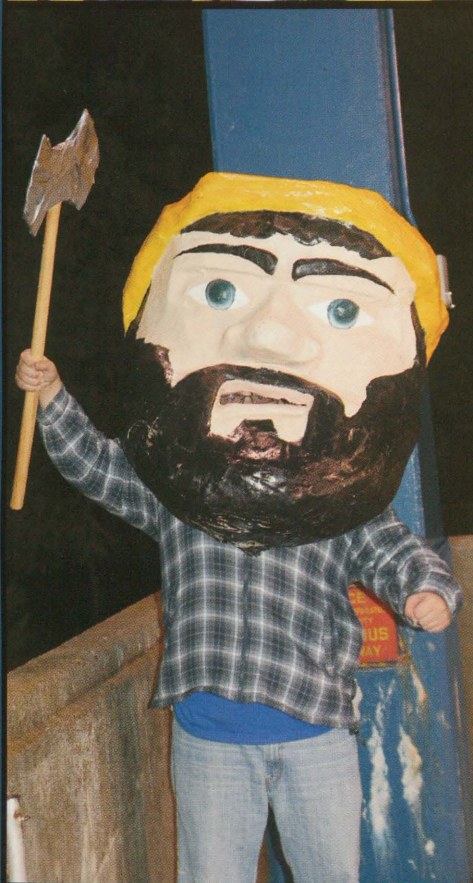

A Year at Arthur Hill High School

Who says the Jacks

LEFT: Seniors show that they are on top when they showed the most school spirit at the 2009 homecoming pep assembly.

LEFT: Our mascot (Ruben Sandoval- senior) shows his school spirit at his last homecoming football game.

TOP RIGHT: Markala Goodson shows off her cheer uniform before a big basketball game.

BOTTOM RIGHT: Seniors Justin Doran, Sam Garza and Emily Grim show their school spirit by painting their faces at their last homecoming football game.

For the first time in years we have a mascot, and he reminds this school how much spirit we actually have. Every year seniors show their school spirit by getting shirts airbrushed and wearing blue and gold to the homecoming pep rally, and like every other year the seniors were on top. Many students showed their spirit this year by attending games and after school activities. Whether this is your first year at Arthur Hill or you are a member of the class of 2010, we all show our spirit one way or another.

GO JACKS!!!!!!!!!!!!

-Amanda Nickles

1. Kaitlyn Crieghton wears her airbrushed senior shirt.
2. Cheerleaders pose for a picture at the pep assembly.
3. Girls Varsity basketball members show how proud they are of their jersey numbers.
4. Boys Varsity basketball team members have spirit before their big game.
5. Seniors show their punk rock side during spirit week.
6. Varsity girls volleyball members show off their spirit before a game.
7. Yearbook shows their school spirit by wearing their new yearbook shirts.

Homecoming this year came unusually fast. The theme was "Fairytale and Nursery Rhymes." Only four weeks into the year, and students had to vote for the King and Queen. For the first time ever the coronation was held in the evening. Ms. Conflitti and many other volunteers worked hard to put on an excellent program to show off our homecoming court to their parents. The ballot count was extremely close, but in the end Tyler Dwyer and Shelby Charbonneau were crowned King and Queen. The Prince and Princess were Darion Morales and Breyone Hatfield. We are proud of this year's 2009-2010 Homecoming Court.

The Homecoming Court would like to thank their "shining stars," Mr. Doug & Mrs. Markle for volunteering to help them with their dance routine.

Spirit Week

Twin Day

College Shirt Day

Mix and Match Day

Arthur Hill's Spirit Week kicked off with the wackiest days ever. Spirit week led up to the homecoming game where we played Bay City Western. Every day was a different theme: Twin Day, Mix and Match Day, Punk Rock Day, Nerd Day and Blue & Gold Day. This year's Spirit Week was set off with both smiles and tackiness. We've had some of the craziest outfits ever. Overall, it was a great week and fun for the entire student body. Also the classes had a competition for the best decorated door. The honor this year was given to the seniors. For the first time, the assembly introducing the homecoming court was held at night. After all of the spirit showed throughout the week students went and supported the football team at the homecoming game.

Twin Day

Day in the Life of a Senior!!!!

Seniors have very complicated lives. Between working on their senior projects, preparing for homecoming, filling out college applications, and planning for prom and graduation, Seniors are very busy. Here is what a senior would do on a regular day.

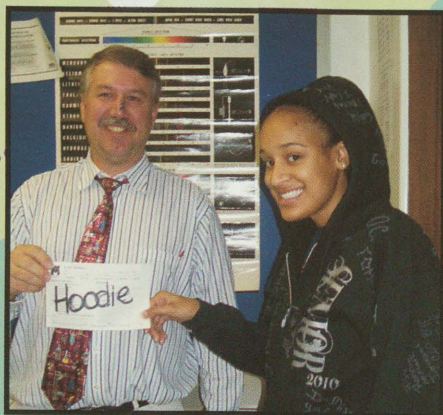

-Amanda Nickles

7:30 A.M. Get checked at the metal detectors.

8:00 A.M. Study for a hard test.

10:00 A.M. Get sent down to the office for dress code violation.

10:45 A.M. Go up stairs to the cafeteria for lunch.

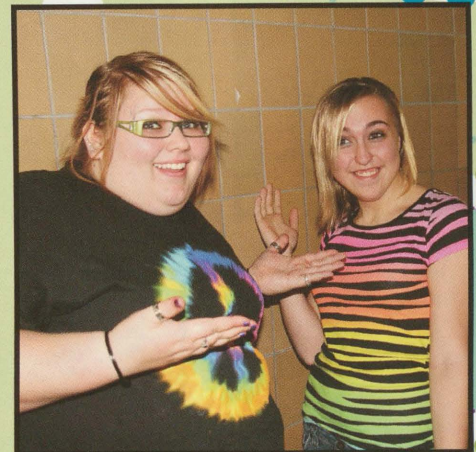

11:00 A.M. Chill with friends in the gym.

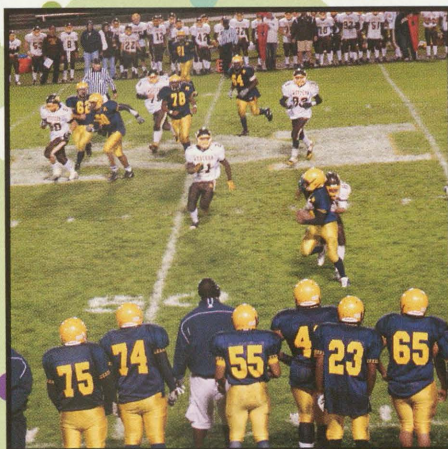

11:30 A.M. Rest up for a long night.

1:30 P.M. Hang with friends before class.

2:45 P.M. Decide what's going on for tonight.

7:00 P.M. Go to the big game.

10:00 P.M. CELEBRATE!!!!

The season for the freshmen football team consisted of seven games. They came together as a team, and they also worked very hard especially at practice. Although our boys freshmen football team worked very hard this season, they did not have a winning season. It's more than just winning, it's how the players work together as a team and get along. That's what our freshman football team did this year. Good job freshman and good luck next year.

These questions were presented to your principals to let you get to know them a little better.

Which Senior Superlative did you win or would like to win?

What is something that Most Arthur Hill Students don't know about you?

What were you most likely to get into trouble for when you were in high school?

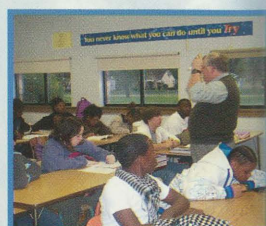

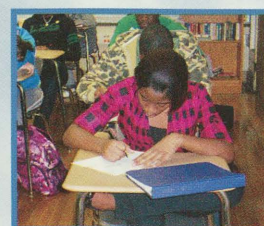

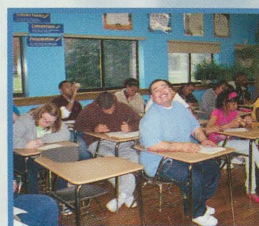

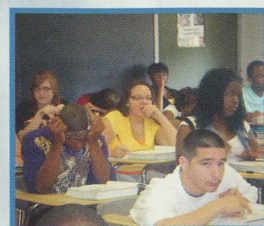

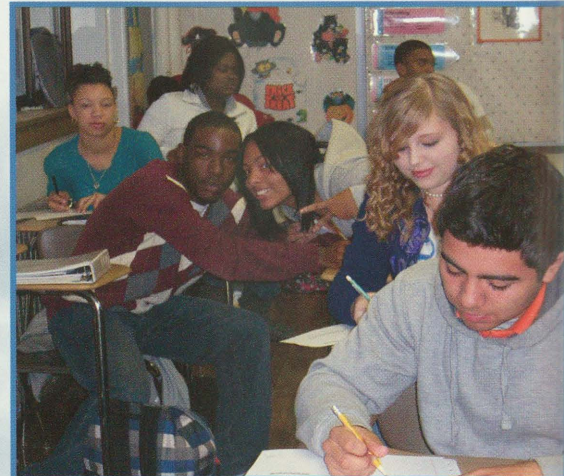

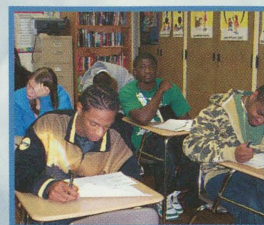

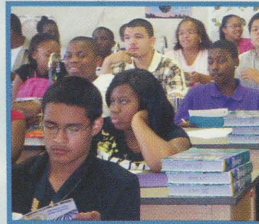

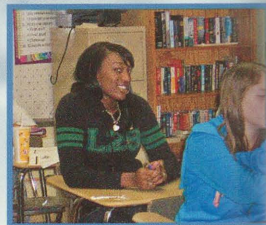

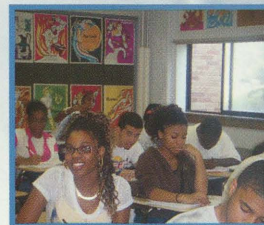

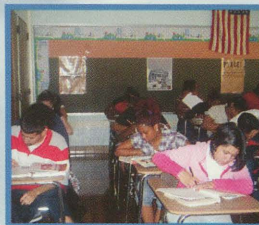

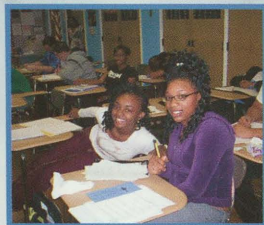

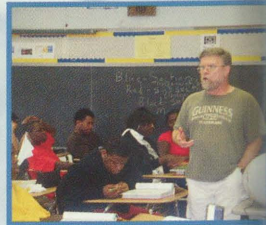

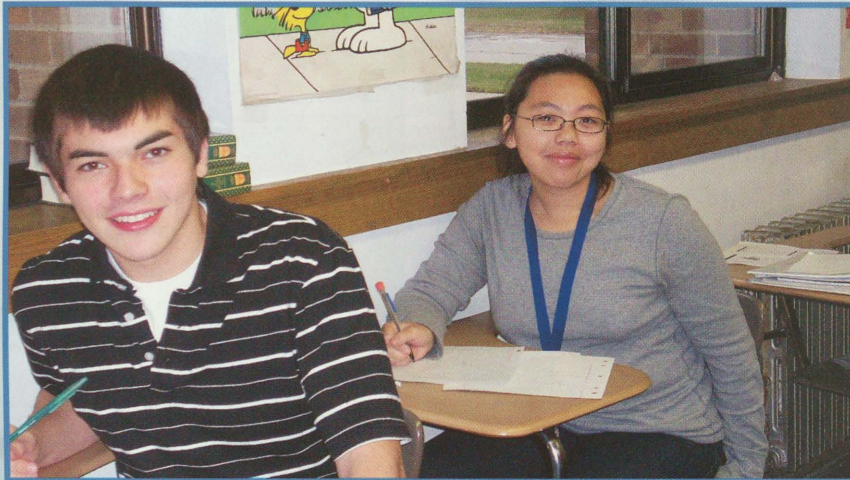

IF I WERE A STUDENT,
I WOULD MOST
LIKELY WIN MOST
LIKELY TO BE
SUCCESSFUL. ONE
THING THAT MOST
ARTHUR HILL
STUDENTS DON'T
KNOW ABOUT ME IS
THAT I'M NOT REALLY
MEAN. I AM
APPROACHABLE &
ACCESSIBLE.

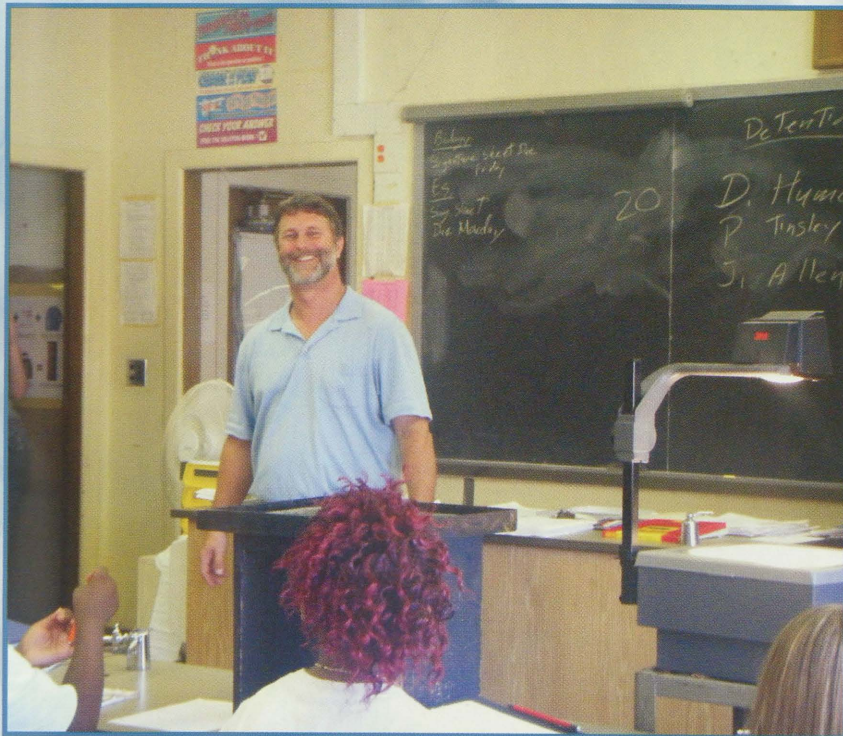

*There are a couple of
things that most
Arthur Hill Students
don't know about me;
they don't know where
my office is; they
usually just see me
walking the halls. I
also have a motorcycle
licence, speak fluent
Spanish, and enjoy
photography and art
fairs.*

Something that
most Arthur Hill
Students don't
know about me
is that I enjoy
reading. I enjoy
reading about
history and some
historical fiction.
The thing that I
would've most
likely gotten into
trouble for was
teasing people.

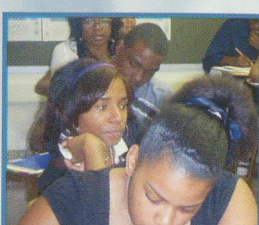

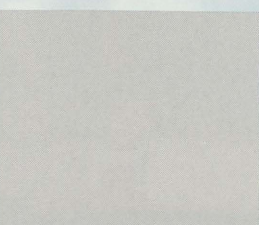

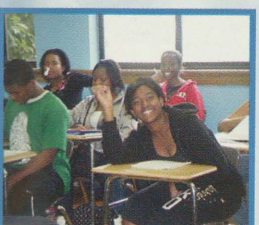

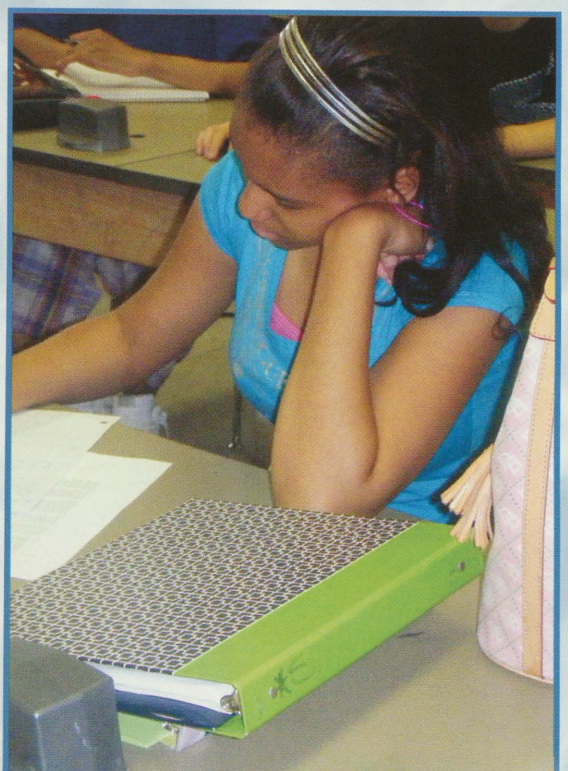

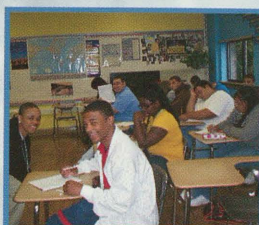

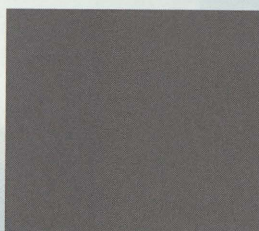

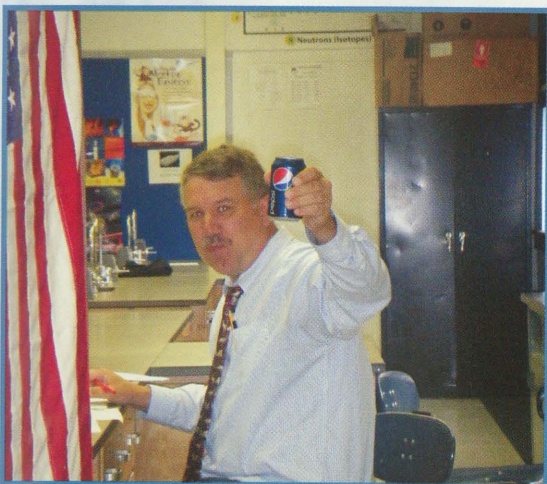

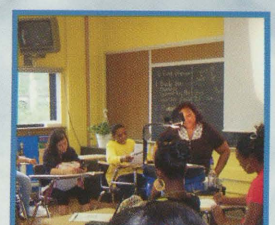

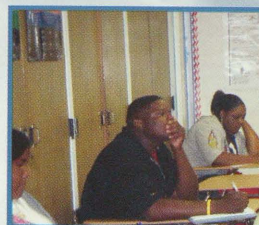

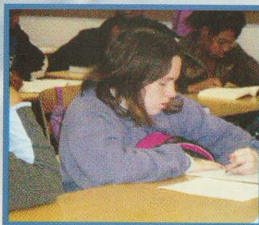

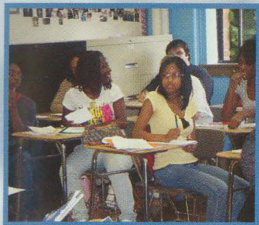

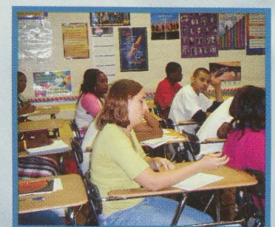

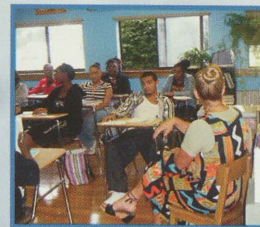

*I would've gotten
into trouble for being
tardy because I
used to walk my
girlfriend to class.
The Senior
Superlative I won
was the nicest guy
in class. One thing
that most students
don't know about me
is that I had hair at
one time.*

Academics

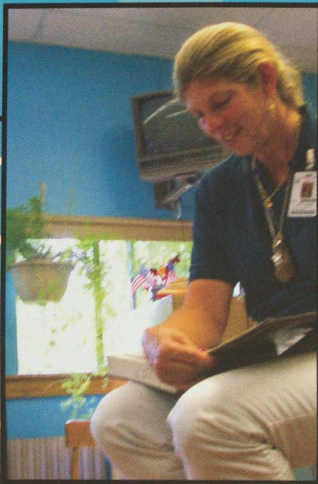

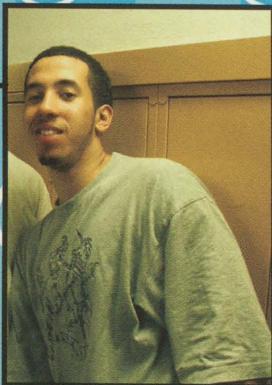

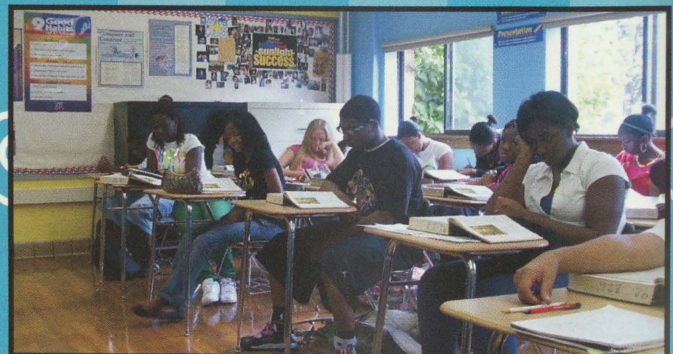

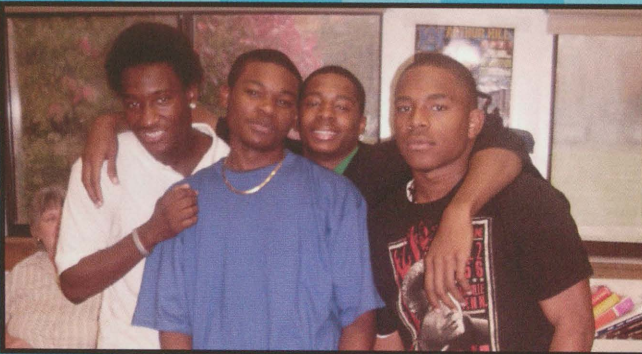

“The real purpose
of books is to trap
the mind into doing its
own thinking.”-----
Christopher Morley

Literature

At Arthur Hill we offer a variety of Literature classes. This subject contains reading, writing, grammar, vocabulary, and history. There is so much to learn in one day in a Literature class. We learn to expand our ideas, and students spend a lot of time preparing for the ACT. Beyond getting ready for the ACT, we are also preparing our students for college. Teachers are very involved with their student and are always encouraging students to work together to help understand the material. From using their creative minds, to communicating well with others, Arthur Hill's Literature classes are challenging students to go above and beyond.

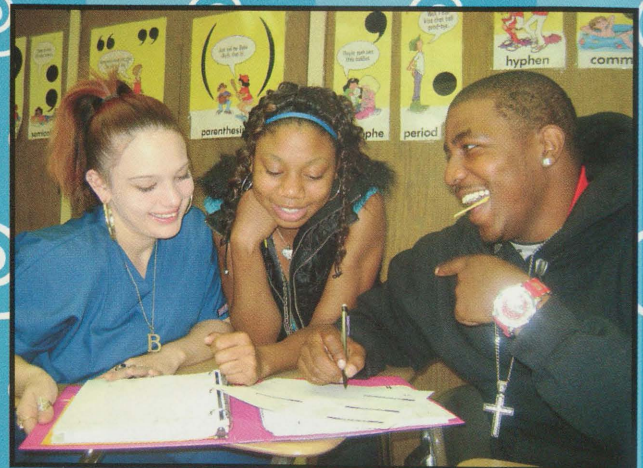

Tyler Dwyer takes a break from his African American Literature class to take a picture. He says his favorite part of literature is being able to write essays.

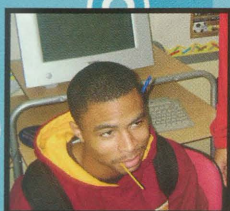

Uniqua Hayes poses for a picture at the end of her World Literature class. She says that her favorite part of literature class is reading and writing poems.

**"What we have
done for
ourselves alone
dies with us;
what we have
done for others
and the world
remains and is
immortal!"**

To the right, Brittany Lent, Nana Hall, and Ronnie McMath work on a group project in World Literature class.

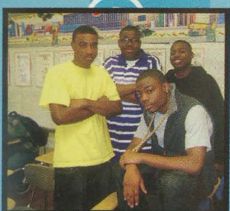

Maurice Jones is waiting patiently in Mrs. Ryan's World Lit. class for the bell to ring.

Corie Buchanan cracks a smile in class before starting on her assignment.

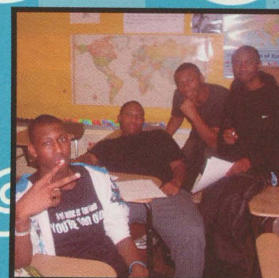

Daniel Snead, Trevon Ford, Jason Tarvar, Ozzie Smith gather for a group photo.

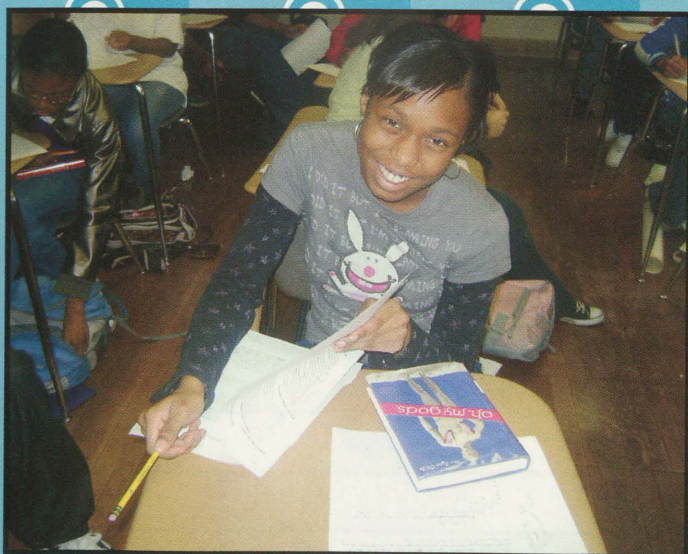

Markala Goodson and Erica Taylor

Deleance Blakes, Joshua Prince, D'Juan Jones, and Bahati Hussein, gather for a picture in Mr. Puffpaff's Literature class.

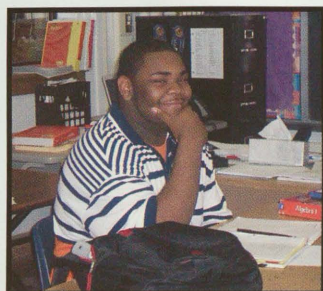

Times to remember!

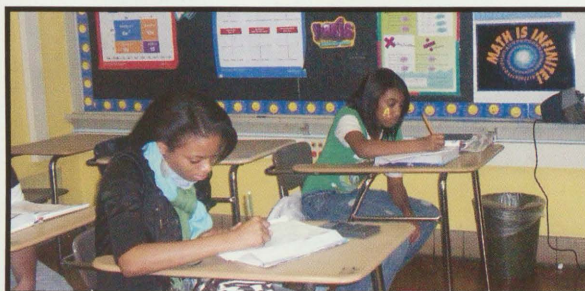

No matter what, students always have a good time in literature class. From the teachers to the assignments, literature seems to be great fun.

At AHHS, this is the last year that math is only required for 3 years. With the new state regulations math is now required for all four years here. Next year students will have to take Algebra 1, Geometry, Algebra 2, and Pre-Calc or Calculus. Math is something that people use in everyday in life in its various forms. We are glad that our teachers are very serious and make sure we are successful.

*Social

Students

Social Studies are some of the most interesting classes that Arthur Hill offers. These classes tell us about the past, which explains the present. A couple of years ago the curriculum was changed. Now freshmen have to take U.S History and Geography and sophomores take World History and

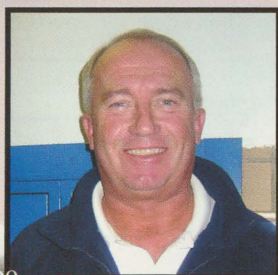

Geography. Government and Economics are now available for Juniors and Seniors to take. It makes it much easier this way students have said. Teachers enjoy teaching this subject and students enjoy learning in these classes. History class is very important to us.

Mr. Young

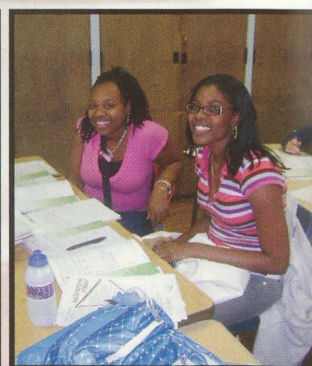

"My favorite thing about teaching history is that we can use current events and teach the past."

Mr. Ryan

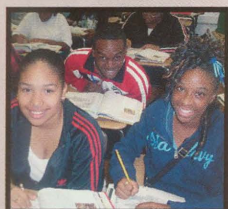

"The reason I like to teach History is that you must know where you have been to be able to go into the future."

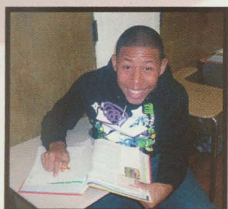

Above Left: British Coleman taking a break from work to have a little fun and smile for the camera.
Above Right: Janay Johnson and Tierra Siler also smile for the camera in Mr. Reha's class.

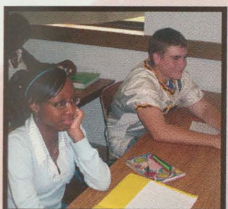

Studies*

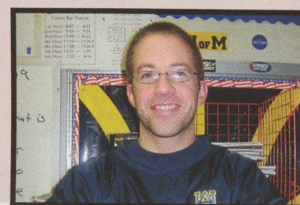

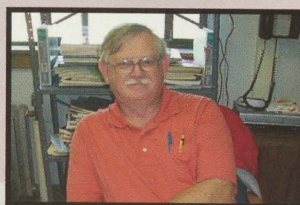

Chelsea Juarez, Rod'Reona Lowe, and Thomas Parker take a break from their work to snap a photo.

Roland Rance takes a picture in Mr. Laporte's 10th grade History class.

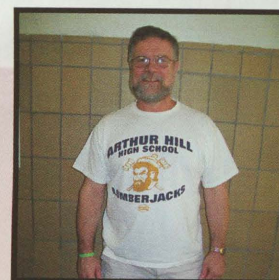

Students in Mr. Young's class watch a movie on History.

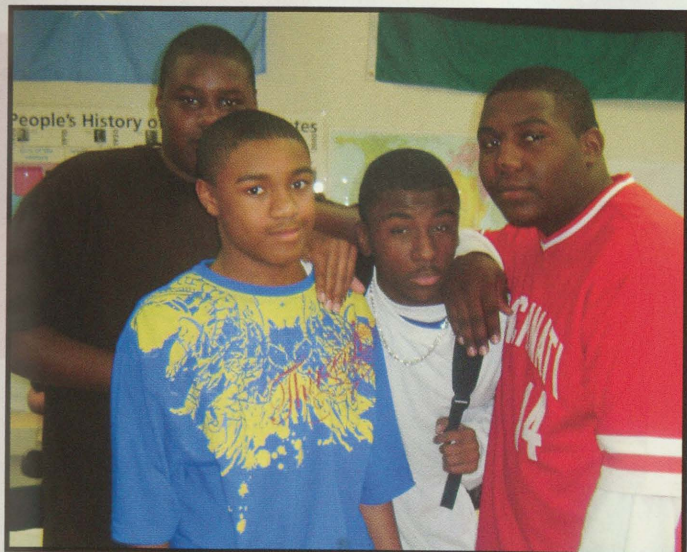

Mr. Reha and Mr. Laporte

Mr. Astley

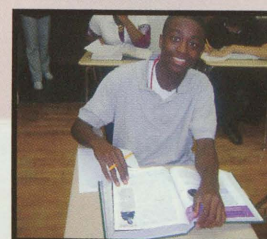

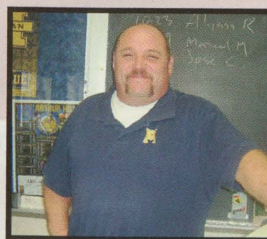

Mr. Astley says, "My favorite thing about teaching is the look on the student's face when they finally understand something."

Great Memories

Students at Arthur Hill say they will always remember Social Studies classes. From the teachers to the projects, Social Studies is always a load of fun. They love learning the past and what it has to do with the present.

At Arthur Hill High School there are many required science classes that need to be taken before graduation. Some of these include Biology, Chemistry, Physics, Human Biology, Environmental Science, and Physical Science. There are many great teachers in the science department who are working to improve the minds of the young students.

Cleopatra Kleppert takes time to examine the chemicals before starting her experiment.

Ezequiel Jaramillo and Aaliyah Jeter continue to work hard on their Biology assignments.

About S.A.S.A

S.A.S.A is offered to students who want to advance their education and receive hands on experience. Here students learn beyond the regular skills taught at school. There are many different programs offered here at S.A.S.A. Students go half of their day here at Arthur Hill, and they attend S.A.S.A. half day. Students in the Saginaw School District are fortunate to have a program like S.A.S.A.

YEARBOOK

...

Yearbook is about hard work, dedication, respect, and taking some criticism. If you are unable to take criticism, this is not the class for you.

In addition to working on the yearbook throughout the year, we fundraise by selling pizza, and snacks to reduce our yearly debts of producing the yearbook. Some may not realize how costly it is to make up the yearbook every year. Most people think that a yearbook is too much money; however, they do not realize that we only charge them a fraction of the actual cost. In reality it would cost around ninety dollars to purchase a yearbook if not for the pizza and snack sales. Over all I hope that you appreciate how much time and effort the yearbook takes to make every year.

Throughout the last few years our Lumberjack Marching Band has been growing noticeably smaller, but with continuous instruction from our new band director Joseph Kudzal, we will see a definite growth. Mr. Kudzal teaches mornings at Arthur Hill and devotes his afternoons to teach at Willie E. Thompson Middle School. So far this year our band has not performed in any competitions but did a great job keeping our spirits alive during this year's homecoming game.

Also performing Christmas melodies such as "Rudolph the Red Nose Reindeer" and "Do You Hear What I Hear?" at our annual Christmas concert. Mr. Kudzal hosts band practice every Tuesday and Friday from 3:30-5:30. So listen up and you will be sure to hear the sounds of the Lumberjack Marching Band.

Student Council

The 2009- 2010 Student Council has been working hard. The members have organized spirit days, set up dances, and sponsored food and blood drivest throughout the year. On December 12, 2009, members worked at the annual holiday bazaar. At the blood drives there has been a great turnout of students donating blood because of the efforts of Student Council. Currently there are 23 students in Student Council and for the first time the council had co-presidents, Ashley Rose and Clyde Webb. Being involved in Student Council is a great experience for students because Ms. Conflitti has done a great job in getting the Student Council active in making the school as well as the community a better place.

What is NHS?

The National Honor Society currently has 125 students that qualify for NHS. In order to be qualified for NHS students must have a GPA of 3.0 or higher. Students also have to meet required 100 volunteer service hours, follow the code of conduct, and other NHS requirements in order to be inducted to the AHHS chapter. They also will be recognized at the annual AHHS Honors Assembly in the Spring.

freshmen Mentors do just that, mentor freshmen. A few of the activities that they do throughout the year are: attending freshmen orientation, showing them around their new school, and they hold an ice cream social. In addition to this they are supposed to set an example for other students.

Latino Action Club members believe in respect, caring, sharing, friendliness, motivation, dedication, and flexibility to remain focused on education for the betterment of themselves and others. Members are involved in church, school, and community activities. They also raise money to buy things and donate them to families in need.

In Art Club we do several different things. Some of the bigger things we focus on are Zender's Snowfest where we compete against other high schools. Another big occasion for us is our yearly art show at the Castle Museum. As members we are allow to enter up to seven pieces we created throughout the year. We then get to invite our family member to our own art show. We are also take a trip to an art show once a year.

This year's football season didn't turn out as expected. This was a transitional year for the football team because Mr. Townsend retired from coaching. As a result, the team was young, and they had a new coach, Anwar Jackson. Most of the players from last year graduated, so the team started off the school year with most underclassmen playing. The team tried the best they could with the difficult schedule they faced. They were competitive but always came up a little short. Overall the boys did really well. Good luck next year.

Go Lumberjacks!

This year Arthur Hill's Junior Varsity Football team had a very rough season. They did not do as well as they had hoped. However, they did gain new friends, great memories, and a new bond within the team. Some hopes for next year are to play harder and finish off the year with more wins. Good luck to the guys next year!

This year's soccer season has improved in many different ways because more people are coming out to play, and they have a better support system. Even though they lost their first game, they fought with ease to beat Saginaw High in their second game. They played against teams that challenged the best in them. No matter if they won or lost, they looked at the game in a positive way. This made them have more fun throughout the season.

o swim is to propel oneself in water by natural means. This year's Swim Team is made up of several new team members, along with the returning teammates. The more experienced people have bonded with the newbies, teaching them what it's like to be on the Swim Team. For swimming it's not all about what they achieve individually, they also work as a group. This year's scoreboard may not show much improvement, but the girls did very well independently. Swim Team Captain Libby Scott and teammate Kayla Swift did very well individually. Ms. Scott has three different events in which she excels for her 500 yard, 200, and 100 yard. Libby's best times are: 500-6:30.29, 200-2:18.68, 100-1:02.43. Her 100 yard time is even a state qualifying time. Kayla Swift does well in two events; in the 200 yd. with her best time of 3:13.14 and in the 500 yd. freestyle with a time of 7:00.26. These girls have been working hard over a long period of time to achieve their goals; they have been swimming for seven years.

The Boys Varsity Basketball Team made an impressive entrance this year coming out in their new jerseys. They started off the season with a great win against Mt. Pleasant High School. The season went really well from there. The boys faced even better competition than previous years. The team faced a challenging schedule but still came out with more wins than losses. The boys did an excellent job playing against our rivals Saginaw High and beat them twice and had a 8 game winning streak. Good luck in districts and beyond.

This years Girls Varsity basketball season was a blast. With 17 wins and 5 losses, they dominated the sport. They had many great games and tried their hardest. Their hard work clearly has been a success. They won some and lost some, but overall they always went home as winners. There is no way these girls could come out any other way then on top. They learned how to work as a team, use good sportsmanship, and use creativity when they play basketball games. This year has been fun, but for some this is their last year playing. The rest will return next year keeping their dreams up. Look forward to the next Girls Varsity basketball season. Good Luck Girls!!!!

BOY Varsity Swimming

This year's 2009-10 Boys Swim team dove right into the season with great energy and pride. There has been a major increase in team members that Mr. Skelcy is extremely enthused to have. The team works well together by showing dedication and cheering each other on at each meet. Head coach Mr. Skelcy and captain Clyde Webb pushes the team to try their hardest and promote good sportsmanship to the opposing teams. This season has been a great one, GOOD JOB BOYS!

Captain Clyde Webb

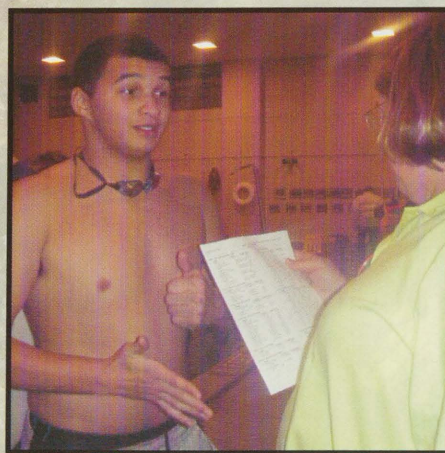

This year's Boys Varsity Swim Team captain is Clyde Webb. He's been on the team since his freshmen year at Arthur Hill. He is very enthusiastic about this swim season and takes pride in his team's talent. Clyde is a great captain and always encourages his team to do their best and set new times for themselves. Unfortunately, an accident prevented Clyde from swimming in his last meet of his high school career, which the team dedicated to him. Even though they wished Clyde was able to attend and cheer them on at the end of the pool like always, knowing he was making a recovery made them feel encouraged to swim laps around the other teams.

LAST ROW: John Harris, Derrick Hernick, Roland Rance, Drevion Roberson, Trevion Hogg

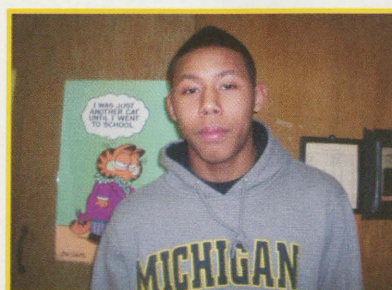

This years wrestling team had high expectations to win big! Unfortunately the season started out rough. Even though the boys didnt win every match, they still worked hard and were dedicated to their team by practicing everyday from 3-6 p.m. in a 100 degree room. They strove to be the best. Eleventh graders Dontrel Warren and David Marrero succeeded to reginals but took a tough loss. The highlight of the wrestlers season was their trip to Okemos; they came home with three wins and two losses. Overall, it was a decent season; high hopes for next year. Go Jacks!!

The cheerleaders have definitely done an outstanding job this year. They did an excellent job at each game getting the crowd involved in the game. They showed great support and school spirit whether our team won or loss. The girls worked together as a team and showed that they knew the true meaning of cheering.

a.k.a. letter from the Editors & Production Information

Dear Lumberjacks,

First we would like to thank Mrs. Ryan. Without her this book would not be possible, she puts countless hours into making this every year. Another special thanks goes to Mr. Ryan for helping us sell pizza and snacks. We appreciate all of the staff and students who made this yearbook possible. Thank You!

If you had a problem getting in pictures because of deadlines we are sorry that you were unable to turn them in. However we also have a deadline to the company who prints our yearbooks, otherwise we may never finish the yearbook. We also sincerely apologize if they are any name errors. Everyone put forth there best effort to help make the yearbook correct.

Sincerely,

Your Editors

Amanda Nickles &

Elessa Trevino-Alcock

NEEK NEEK

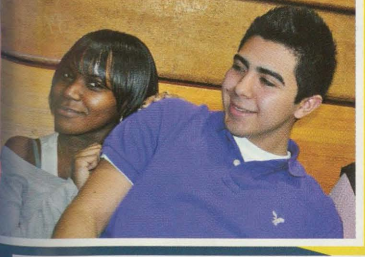

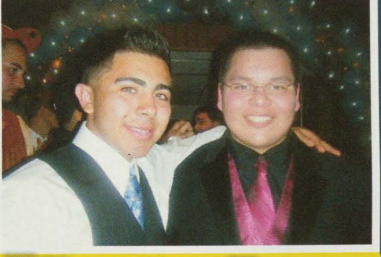

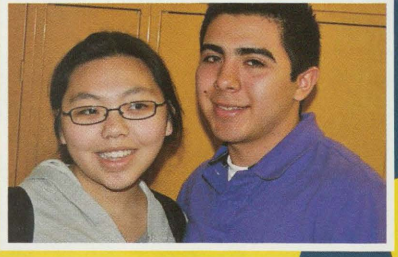

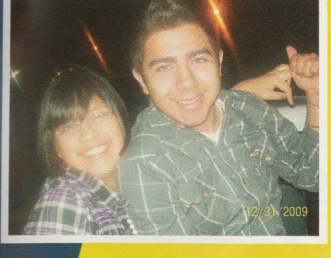

Through out the four years I have been here I enjoyed knowing the people I love. I enjoyed the laughs, arguments, and the fun times we shared together. These are the people who helped me get through the years I've been here. It's sad to say I'm leaving, and this is my last year here but it's never a **GOODBYE** it's I'll see you later. I love you guys!
